

Manifesto

Id be so sacred it can't be enjoy

den

Strike me and penetrate those carapices

I am bigger than you and look what will last as yours are stuck upside down will you change your ways

do not care what you say. Why

tion not your false agenders i do not

Nothingn should be so sacred it can't be enjoyed nothing is so holy not untouchable. Stop acting this way you too are unholy unsacred and i do not care w

hat you say. Why bother making at all if this is what you will do with it. We can live without you without your might and anger it means less than a ghost and

i will not kneel to you four that you snail. Make something with intention, intention that is real intention not your false agenders i do not believe yu and willparry against your blades\\

Strike me down oh ye alas fair maiden

Strike me and penetrate those carapices

I am bigger than you and look what will last as yours are stuck upsidie down will you change your ways

Ahahaha im free floating enjoy metastate me

You have not salt

i have not sunglasses
